

21 - 23rd September 2011, Heringsdorf, Mecklenburg-Vorpommern, Germany

ScanBalt is celebrating its 10th anniversary in 2011. The ScanBalt team be honored to have you with them, share with you the experiences of the last 10 years and discuss with you the upcoming challenges.

Early Bird Registration is open!!

The registration for the forum is now open. Use your chance to get fee allowance with the early bird registration until the 30th of June. Visit the website <http://www.scanbaltforum2011.eu>

for more information about the program, the venue and the participation as industrial exhibitor.

The 10th ScanBalt Forum, the stakeholder conference in the field of Life Sciences and Health Economy, 21.-24. September 2011, will take place in Heringsdorf, Mecklenburg Vorpommern close to the German-Polish border on the Baltic Sea.

The program will focus on three topics:

- “ScanBalt Health Region – the Health Flagship in the EU Strategy for the Baltic Sea Region” (BSR)
- “The Green Valley – Environmental Projects and Activities in Baltic Sea Region”
- “Cross-border cooperation - Challenges and Opportunities in the Baltic Sea Region”

The [Enterprise Europe Network Match Making Event](#) [®] will be held during the forum on September 23rd, which is aimed at finding and meeting potential partners for business to business, science to business and science to science collaboration in the wider Life Sciences.

Welcome to Mecklenburg-Vorpommern in September 2011 – the opportunity to meet leading experts and stakeholders within Life Sciences in Northern Europe and to bring in your ideas to the upcoming 8th Framework Program of the EU!
